

# NOUMEA – GUIDED COUNTRY TOUR

## INCLUDED IN THE PACKAGE

On this tour you have two choices. The main option is the cultural tour, with a stop at Tjibaou Cultural Centre where you will be acquainted with the Custom Gesture. The second option is the botanical tour, with various stops in the Grand South so you can enjoy incredible vantages. The Jurassic Park scenery will take you back to the time of dinosaurs by discovering some of the 3 500 native plants growing in the red ground. Both options include a stop at the “Plum Spring” to taste New Caledonia’s very own mineral water directly from the source. You will also have the opportunity to visit the Miracle Church, the oldest church in New Caledonia. You will finish your tour enjoying the beautiful landmarks surrounding you on your way back to the capital.
